**Don Jegerlehner**- no address ever given

Asking for a 1600 ft. driveway so that he can sell lots. Restricted where he is able to sell/ build due to power lines that are buried. Peter suggested Don go to the county to see if there is a "lot of record".

**Citizen Comments:**

John Ganser- Questioning the "Lot of Record" if there is one is the 1600 foot drive OK? Plan commission members not able to answer that question. We needed to talk with the county, and possibly get legal advice on this.

**NEXT MEETING DATE: February 22<sup>ND</sup>, 2016**

I (Andrea) did ask the question why is there conversations being had, and exactly how and why are things being decided prior to the meetings. Brian stated that he has to do some research with Roger so some conversation has to be done. I pointed out 2 separate occasions that decisions had been made in advance. I also expressed my frustration on how this makes the Plan Commission looks when this is being done. I stated that I would be calling Roger to get clarification on this. I spoke with Roger on 29<sup>th</sup>. and he stated that he would be calling Brian on this situation.

**ADJOURNMENT:**

Moved by Doug Larson, seconded by Peter Maestri "to adjourn" Motion Carried
